To: All Eastern Star Chapters of Washington, O.E.S.

On behalf of the WGM Joanne Clark and WGP Terry Wiggins we would like to present a challenge to your chapters.

The WGM and WGP'S Special Project this year is Cancer Research/Multiple Sclerosis.

In order to receive money for this most worthwhile cause, we need to have a plan. Our suggestion to you as a chapter could be to have a fund raiser with proceeds benefiting this special project. For example you could have a breakfast, dinner, an afternoon tea or if you normally have a fundraiser like the rest stops, working the ball park etc, maybe a portion of your profit could be allocated toward the project.

You could also ask that a committee be formed within your chapters and let that committee decide the best way to give our WGM and WGP support in this endeavor to benefit mankind.

Whatever you decide we know that you will do your utmost to support the Grand Chapter of Washington O.E.S.

Best Regards,

Roy & Mary Sharp, Astral Chapter #75, Chairman
Margie Hemming, Spokane #163

Approved Joanne Clark
Worthy Grand Matron
