

Order of the Eastern Star Membership Questions

What is the Order of the Eastern Star?

The Order of the Eastern Star is the largest fraternal organization in the world to which both men and women may belong. Worldwide, there are approximately one million members under the General Grand Chapter.

Eastern Star is a social order comprised of persons with spiritual values but it is not a religion. Its appeal rests in the true beauty of the refreshing and character-building lessons that are so sincerely portrayed in its ritualistic work. A deep fraternal bond exists between its members. It is the wholesome relationship of sisterly and brotherly love brought about through high principles exemplified in our lives which makes us near and dear to each other.

While this is an Order composed of people with deep spiritual convictions, it is open to all faiths, except no faith. The personal welfare of our members is vital to all of those in the Eastern Star and it is considered a privilege to help another member whenever we can.

What is the purpose of Eastern Star?

The stated purposes of the organization are: Charitable, Educational, Fraternal and Scientific; but there is much more to it than that.

Dr. Rob Morris, the Poet Laureate of Masonry, founded the Order using beautiful and inspiring biblical examples of members. Eastern Star strives to take good people and through uplifting and elevating associations of love and service, and through precept and examples, build an Order which is truly dedicated to charity, truth and loving kindness.

Is the Order of the Eastern Star a secret society?

No. Secret societies are underground and hard to find. We are easily found within the community, but we enjoy a distinctive means of identifying each other. What we teach is not a secret, but how we teach it is.
