

Opening for Bible Bearers

Did you stop to pray this morning?
As you started on your way?
Did you ask the Lord to guide you?
Walk beside you through the day.

Did you think to pray this morning?
Did you kneel just one moment today?
Oh the skies will be blue
Cause He's walking with you
If you just remembered to pray.

Closing

Will you pause to pray this evening?
When you close your eyes to sleep.
Thank the Lord and count your blessings
Thou the road seem long and steep.

When you stop to pray He'll answer
In your heart He'll speak to you
And you'll know the joy of talking
With a friend so kind and true
If you'll just remember to pray.
