We will tell you the story of the five Marys
Who lived during the time ~~of~~ ~~of~~ when Christ was on earth
They are all found in the New Testament
From the beginning of Our Saviors Birth

Mary is a Sacred name it was chosen by our God
To be the Mother of His Son, upon this earth He trod
He came to bring Spiritual Light, drive away all doubt and fear
To cure the sick and heal the blind and drive away all tears

Mary had four other sons Simon, Judah, Joseph and James
Also several daughters and she lived to be past eighty they claim

Mary of Jerusalem was John Mark's mother
Who wrote the book that bears his name
All her surroundings showed her wealth
But she loved the Christians just the same

To her large home the Christians came
Where much time they spent
It was there in the Upper Room that
Jesus and His Disciples took Sacrament

Mary Magdalene was known for her vice and shame
But when she heard the Master speak twice
She knew she had found the right way of living
And followed His teachings the rest of her life

Mary of Bethany was the younger sister of Martha and
Of Lazarus who Jesus raised from the dead
She anointed Jesus' feet with spikenard (spice yard)
And wiped them with the long hair of her head

~~There was also Mary the wife of Cleopas~~
~~Joseph's younger brother~~
~~She was known as Aunt Mary~~
~~She had five sons and she was Matthew's mother~~
