

## A TRIBUTE TO THE CHRISTIAN FLAG

One of the most important and beautiful in a group of many Flags is our Christian Flag of shining white with a scarlet cross. It is the flag that leads men to noble adventures and deeds of love in the name of Jesus Christ. The colors have true significance—the white for purity, innocence and Peace on Earth – the heavenly blue for faith, truth and sincerity – the scarlet red for heroic sacrifice, service, bravery and Christ's love.

The Flag of Christ is the only one throughout the whole world; flying high over every other flag, as it takes all flags under its protection. Our Order has its foundation in Christianity that inspires us to higher thoughts and nobler deeds and the testimony to the international character of religion.

May it ever wave for all mankind  
Until on earth through God we find  
That real life is truth and Love  
Which ever cometh from God above.
