

Invitation to Prayer: "I will praise the name of God with a song, and will magnify Him with thanksgiving." Psalm 69:30

THANKSGIVING

Heavenly Father, I am thankful for the many blessings You have sent me; for love and faith, for strength and health, for loving friends and the many precious gifts of life that are good.

Help me to show, in return for my blessings, as much thoughtfulness for others as You have shown to me. This I ask in Jesus' Name. *Amen*

Everlasting God, we pause now to give thanks to You for the many blessings that You have bestowed upon us. May we fully realize that God is love and to know God is to love. Help us, O Lord, to count our blessings that loving and trusting You will help us to overcome our doubts, fears, anxieties and worries in life; to know that prayer is the greatest healing power giving us peace of mind during such times of tension.

We pray for those who are suffering. Ease their pain, strengthen and help them in patience and courage to look forward to the day when good health may once again be restored. Help us, O Lord, to strengthen and renew our faith in Thee. In Jesus' Name we pray. *Amen*
