

DEDICATION OF SHEAF

Worthy Matron:

Sisters and Brothers, it is my privilege to present to th
Chapter this beautiful new sheaf for the station of Ruth.

Worthy Matron:

Sister Associate Conductress you will approach the East.
(Sheaf is given to the Asso. Cond., who proceeds to the
station of Ruth) Conductress removes the old sheaf and
Assn. Cond. Places new sheaf on pedestal.
As Asso. Cond. reaches station - Ruth rises.

RUTH:

Ruth, the widow's degree, teaches obedience to the demands
of honor and justice in all conditions of life. The sheaf
is an emblem of material things and in its collection of
minute parts symbolizes to us our Heavenly Father's watchful
care and his promise to supply our needs. The lesson of
Honor and Justice should be well learned, then we will not
grow weary with well doing and with patient industry will
assist all who need our help.

In the name of the wives, daughters, widows, mothers and
sisters of this Chapter, we now rededicate the station
of Ruth with it's beautiful new sheaf, to continued service
among the humble and lowly and to the virtue of Constancey
and unselfish service as taught at this station.

(Conductress and A. Conductress returns to their stations)
