

## I MUST GO SHOPPING

One of these days I must go shopping. I am completely out of self-respect. I want to exchange some self righteousness I picked up the other day for some humility, which they say, is less expensive and wears better. I want to look at some tolerance which is being used for wraps.

Someone showed me some pretty samples of peace....we are a little low on that and can never have too much of it. And, by the way, I must try to match some patience that my neighbor wears. It is very becoming to her and I think it might look well on me. I might try on that little garment of long suffering they are displaying. I never thought I wanted to wear it, but feel myself coming to it.

Also I must not forget to have my sense of appreciation mended, and look around for some inexpensive everyday goodness. It is surprising how one's stock of goodness is depleted so quickly.
