

Lollipop Proficiency Contest:

Chapter Showdown in Sweet Style! 🏆

Dear Daring Chapter Adventurers,

I'm delighted to announce the launch of our Lollipop Chapter vs. Chapter Proficiency Contest—a deliciously spirited challenge where each chapter showcases their mastery in our ritual.

Ready to play in the peppermint pathways of proficiency? Across our region, chapters are going to be stirring their skills, sweetening their strategies, and layering excellence like a triple-tiered cake. Now it's time to unwrap that brilliance and let the competition begin!

🎨 What's at Stake?

Bragging rights, naturally. And a whimsical token of triumph to be awarded at our next Grand Chapter in 2026. Picture a trophy worthy of Queen Frosting herself—glittering, giggling, and maybe even candy-scented.

📌 How to Enter:

Each chapter will submit a sweet list highlighting their members that have passed the proficiency.

🍓 Deadline:

Entries are due by May 1st, 2026. That gives you time to rally your gumdrop guild and polish your Lollipop contestants.

Let's celebrate the brilliance within our chapters and spark a joyful rivalry that's as sweet as it is strategic. May the most proficient chapter reign supreme in the Candy Kingdom!

With sincere appreciation and hopeful expectation,

Pam Rookard
