Greetings Sisters and Brothers,

As our Grand Chapter year is nearly half over, it is time to remind everybody about the Alexandra Schencking Memorial Nursing Scholarship Fund. Nursing, like all post-secondary education has become quite expensive and the need for nurses is as great as ever. We can make a difference! Last year we were able to assist two students in the pursuit of degrees at colleges and universities throughout our region. If you know of a student in the field of nursing, we encourage you to pass along the information about this scholarship opportunity. The necessary information and forms are posted on the Grand Chapter website, or are available from any member of the committee. For those who do not have Masonic affiliation, a Chapter sponsorship is necessary and we hope your Chapter will consider this step.

To continue this legacy started by our PGM Alexandra Schencking, you may want to consider a donation to the fund as a memorial to a departed member, or a gift to honor a member. The number of scholarships and the amount of each scholarship is commensurate with the money available in the fund each year.

The applications and all required information is due to the chair of the committee no later than May 1, 2021. The awards will be announced at Grand Chapter in June.

Fraternally,

Liz Budbill, Chair
Sandy McAmmond, PGM
June Lee, PGM
Diane Brattain, Stanwood # 76

Alexandra Schencking Memorial Scholarship Committee
