Dear membership of the Grand Chapter of Washington, OES:

I am excited to share some good news with you. Yes, Good News!

We will be holding Grand Chapter this year from June 28-30, 2021 at the Wenatchee Convention Center. It will look a little different this year. At this point of time our MWGM is still planning her official visit. On top of that the convention center is currently at a 25% occupancy which limits attendance to 200. We are hopeful that by June they will be up to 50% occupancy. However, we have to make plans starting with the number of 200.

We will be conducting business, elections of officers and resolutions. In accordance with the Constitution and By-Laws we must have a majority of the chapters represented to conduct business. I am asking that each chapter elect a representative to attend Grand Chapter. If you have a grand officer from your chapter and no one else feels comfortable in coming, that individual can represent your chapter.

At this point of time only the Coast Hotel is contracted for the membership to stay at. As we receive word that our numbers allowed are increasing more hotels will be utilized.

You might want to take into consideration that if you are someone that does not want to get the Covid vaccination or you feel there is no way you can get it in time for Grand Chapter, this may not be a good choice for you. You will still need to wear masks, taking them off for eating or sips of water.

Star Love,

Pamela Lee  
Worthy Grand Matron
